Bhutan Dialogues is an open platform for dynamic conversations of national interest with the objective to listen, share and refine our ideas in pursuit of social progress

“Shifting Development Mindsets; Accelerating GNH and SDGs”

HOST: Dr. Karma Phuntsho

The founder of Loden Foundation, a development organization that promotes education and entrepreneurship in Bhutan as well as the Shejun Agency for Bhutan’s Cultural Documentation and Research.

SPEAKER: Jurgen Nagler

The Resident Representative a.i of UNDP Bhutan is an international development practitioner with over 20 years' experience in successfully delivering global, regional and field projects with UNDP, UN Global Compact, the private sector and international NGOs. He joined the UN after a 10-year career with major international companies in the areas of marketing, business development and Corporate Social Responsibility. He holds a Bachelors Degree in Business Administration and a Masters in International Development. He is currently pursuing a PhD in exploring the role of mindsets for human development and the SDGs. He is passionate about transformative and holistic human development approaches, therefore, he also co-founded a grass-roots development NGO and the global UN Transformation Network.

DATE: 17 January 2019

VENUE: UN House, Kawajangsa, Thimphu

TIME: 4 pm to 5:30 pm
